THEONA SUE HOWELL
August 22, 1957—November 9, 2026

Theona Sue Howell was the youngest of three siblings born to Ernest and Vera Brown. She was born August 22, 1958 in Enid, OK.

A proud Oklahoma State University graduate (go Pokes!), Theona worked at the O'Collegian just out of college. She married Patrick Howell and started a family. She was very active in the lives of her children, working as a substitute teacher, frequently volunteering at school, and served as a cub scout den leader. She was happiest when surrounded by her family and so proud to not only be known as Mom, but also as Nana.

An avid DIYer, she was just as likely to be making pillowcases and blankets for her family as she would be repairing a chainsaw or cleaning a gun. She worked a variety of jobs including payroll accounting, mail carrier, and election poll work. But the career that put hundreds of thousands of miles on her Chevy Tahoe was operating her own mobile notary business, South Tulsa Mobile Notary, which she continued right up until her unexpected passing.

Theona was a fighter and would defend her family from anything. She was a two time breast cancer survivor who in later years, sustained injuries and surgeries which left her living with pain and made ordinary days harder. This however did not stop her from being active in the lives of her family. Those are the people that will live on for her and miss her the most.

She is survived by her son Jonathan (wife Tia, and children Waylon and Saracennia); and her daughter Jennifer (daughter Edyn). Theona will be remembered most for the loving care and years of support she provided for her adult children and grandchildren.

Celebrating

THE LIFE OF

THEONA SUE HOWELL

AUGUST 22, 1957—NOVEMBER 9TH, 2026

Saturday, November 28th, 2026
